Mrs. Effa Manley,

Your letter was received concerning my loan of the money. I'm very sorry also that I didn't discuss the matter with you because I dont want any one to think I'm trying to put one over.

If there's any other matter about the agreement of the contract thats not agreable please let me know soon before I leave home to meet your club.

Had a delightful trip home. Hoping to hear from you soon.

Your truly

T. J. Young

P.S. Trust your opening game will be an all round success
